Kleve, North Rhine-Westphalia, Germany

Summary

Résumé : praneethmendu.github.io

Github : github.com/praneethmendu/

Experience

Flabber Technologies

Software Engineer

February 2019 - July 2019 (6 months)

Bengaluru Area, India

Working on building a social and fun online shopping experience

anonplayer.com

Head Dev

June 2018 - February 2019 (9 months)

Pune Area, India

An UX focused betting portal on Ethereum, live on ropsten testnet

Self-employed

algorithmic trader

May 2017 - May 2018 (1 year 1 month)

Pune Area, India

Enjoyed first mover advantage with my arbitrage algorithms, among the many brand new cryptocurrency exchanges. Followed a data-first and risk averse approach, and wrote programs to synchronize trading data and monitor opportunities.

Code:

github.com/praneethmendu/coin-aggregator

github.com/praneethmendu/freedom-forex
